Moving cities to greater smartness: Addressing real city pain points, now!

Join us at the World Smart City Forum

13 July 2016: 9:30 – 17:30

Marina Bay Sands Conference Centre
Singapore

Co-located with the World Cities Summit:
www.worldcitysummit.com.sg

To build smart, sustainable and resilient cities we need to address the hurdles that slow or hinder the development of Smart Cities.

Network with global city experts

In the lead-up to the event help us identify city pain points

Help shape the programme of the World Smart City Forum!

Join the online community now on:

www.worldsmartcity.org/registration-form

Monthly online discussions:

Participate in our monthly Google-hangouts: Learn about concrete actions and new insights from global Smart City leaders. Ask your questions and share your point of view with the VIP speaker and the global audience.

Hangouts are scheduled for 18 February, 18 March, 18 April, 18 May, 17 June

Detailed hangout programme on: www.worldsmartcity.org/hangouts
