In 2001, Cambodia joined IEC Affiliate Country Programme through the Industrial Standards Bureau of Cambodia. (Now. Institute of Standard of Cambodia)

In 2002, Cambodia has been receiving 200 IEC International Standards for adoption.

In 2006-2012, Cambodia has adopted 41 IEC International Standards as Cambodian Standards.

In 2016, Cambodia has adopted 23 IEC International Standards as Cambodian Standards.

Totally, Cambodia has adopted 64 IEC International Standards as Cambodian Standards.
I am happy to confirm that your country meets the criteria to be granted the Affiliate Plus status as an additional benefit offered by the IEC under the terms of the IEC Affiliate Country Programme.

Your organization will now receive up to 400 free copies of IEC International Standards for adoption, instead of 200. In this respect, I draw your attention to the Affiliate adoption procedure given in annex.

With this Affiliate Plus Status, I hope that your country will be able to participate even more actively in IEC International Standardization activities and use more IEC International Standards to meet its local market needs.

Yours sincerely,

F.W.P. Vreeswijk
General Secretary & CEO

Cc: Mr Pen Tonat, Secretary of Cambodian National Electrotechnical Committee
Mr Tan Sokun, President of Cambodian National Electrotechnical Committee
